

# JULES ROBINSON

TV PRESENTER // PODCASTER // ENTREPRENEUR // EMCEE // KEYNOTE SPEAKER // CONTENT CREATOR

Television personality and entrepreneur, Jules Robinson, has fast become an Australian powerhouse since gracing our screens on Married at First Sight in 2019.

Her relatability and authenticity have seen a huge swell of support and interest worldwide, especially from women, who avidly follow her journey through life, love, business ventures and parenthood.

Jules balances being mum to Oliver Chase, with her role as the owner and founder of shapewear brand FIGUR and newly launched fashion label MOIRA MUSE.

Her driving force is a purpose driven passion for putting the REAL into the entertainment and creating an inclusive movement in the fashion industry.
